**(Edited Volumes in Babcock University Ongoing Research Output)**

Preamble:

The College of Postgraduate Studies, Babcock University is pleased to announce as part of its multi-disciplinary research endeavour the Call for Papers (CFP) for publication in the first issue of its edited volume: ***CURRENT TRENDS IN INFORMATION COMMUNICATION TECHNOLOGY RESEARCH (CTICTR)***. This Edited Volume is primarily intended to publish aspects of the ongoing researches/theses by Doctoral Students and their Supervisors. Extract of outstanding and ongoing Master degree researches as well as outcome of research work by scholars across the globe who are in partnership or collaborative research with Babcock University staff and, or students will also find this outlet useful. High profile inter-disciplinary or multi-disciplinary papers and researches are much welcomed. These series are a collection of peer-reviewed papers and they cover the areas of Information Technology, Information Sciences, Computer Science, Software & System Engineering, Computer Networks, and Communication Technology.

Papers submitted for assessment and publication must be original, between 3500 and 8000 words (15 pages maximum), thoroughly researched, and written in good English in the IEEE (Institute of Electrical and Electronics Engineers) Editorial Manual Style of documentation for ***Information Communication Technology papers*** and APA 6.0 (American Psychological Association) format for ***Information Science papers***, with an abstract of not more than 250 words, and a list of not more than five keywords. Soft copies of papers, typed in Microsoft® Word, should be submitted via e-mail attachment to: [ictresearch.cpgs@babcock.edu.ng](mailto:ictresearch.cpgs@babcock.edu.ng). The paper should be submitted with a signed **Cover Letter** (in a separate Microsoft® Word or pdf file), indicating Conflict of Interest of Authors and affirming that the same manuscript is not under review in any publication outlet and would not be so submitted, till a final decision is taken by the Editorial Team of CTICTR. The deadline for submission of papers towards the **June and December** edition is **April 30, 2022** and **October 30, 2022** respectively.

For efficient peer-review of papers, the first page of all papers submitted for assessment must be a **Cover Page**, containing the following information:
